

**A fish out of water is what we will all be
if we don't act now. Practising INTEGRITY
means doing right by the environment,
even when no one is looking!**

#IfNotNowWhen

**We all lose if we treat nature unjustly.
Be FAIR when treating the environment,
at work and in your own special way!**

DIGTEL

**The world is heating up – forest fires flare up.
Do your part to fight global warming.
Our ACCOUNTABILITY to the next generation
is on the line!**

#IfNotNowWhen

**There is a drought in the movement
to fight climate change.
Taking part in the conversation helps!
Be TRANSPARENT with your views, speak out!**
