11. Item 9 (Other Events)

We disclose that in the past two weeks, several newspapers have published articles commenting on the temporary restraining order issued by the Court of Appeals with respect to the proposed rehabilitation plan of BAYAN Telecommunications. In order to clarify the position of PLDT on this matter, we have issued the following statement:

"In its Resolution dated 09 October 2014, the Court of Appeals issued a temporary restraining order in favor of PLDT. The Court of Appeals stated that as a stakeholder in the telecommunications industry, PLDT "has a clear right to be protected on account of the State's policy to protect all telecommunication companies from unfair competition and to due process." It therefore found "compelling need to preserve the status quo." The Court of Appeals ruled that the NTC should have first acted on the objections raised by PLDT in its Opposition and not for the proceedings at the NTC to have steadily progressed.

It is both PLDT and SMART's position that the arrangement circumvents pertinent laws and regulations regarding the assignment, allocation, or use of radio frequencies that call for the public auction of the contested radio frequencies which remained idle for over ten years or since the grant of provisional authority to Bayantel way back in 2000. It should be noted that BAYANTEL's franchise also specifically prohibits the transfer, sale or assignment of any right or privilege granted it without the approval of Congress (under Section 13 of Republic Act No. 3259).

We are issuing this statement in compliance with our duty to disclose matters significantly affecting the company's business and operations.

Pursuant to the requirements of the Securities Regulations Code, PLDT has duly caused this Report to be signed on its behalf by the undersigned hereunto duly authorized.
